The following is an examiner's statement of reasons for allowance: The prior art does not show a transverse connector for a modular link conveyor belt wherein the connector also mounts a rotatable cap that allows article movement in a direction other than the direction of movement of the belt. Also not shown is the claimed body which snap-fits the end caps.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to James R Bidwell at telephone number (703)308-1144.
